

# Shelley's Kennels

## General Information

First of all thank you for your support. Here at Shelley's we want your dog to thoroughly enjoy its stay with us and we will do everything in our power to create a stimulating, stress free environment for all our boarders. To assist us please remember:-

- We are a small kennels and get booked up very quickly so if you know your holiday dates please tell us as soon as possible.
- We will charge for any bookings not taken up unless we can re-allocate that kennel. We do operate a cancellation list to assist in this regard.
- Because we are only small, during peak times we will operate a minimum stay charge of 3 days.
- There is a standard booking-in form to complete when you drop your dog off. This is a licensing requirement by the local authority but it also assists us in knowing a little about your dog . Please be prepared to spend a few minutes completing this form.
- Please remember to bring sufficient food for your dog and any special treats for the duration of its stay. If in doubt, bring excess – we will always return that not used.
- By all means bring 'home comforts' – blankets /toys etc but please restrict these to 2/3 items only as we cannot guarantee to return these.
- Do not wash any bedding you bring – we will always try to return it clean!
- If your dog has any medical conditions/illness we need to know BEFORE we confirm any booking.
- Drop off and dog collection is strictly between the hours of 10:00 am to 4:00 pm excluding Wednesdays and Sundays when it is 10:00 am to 1:00 pm. We do operate an appointment system to try to ensure you are not delayed so please confirm with us the times of your attendance.
- We only allow fully vaccinated dogs into our kennels and that must include the Kennel Cough vaccine. This will have to be given by your vet SEPARATE to your normal vaccinations and as there is an incubation period with this it has to be administered at least 14 DAYS BEFORE boarding.
- Any dogs showing aggression to the kennel staff will be returned to the owners immediately – if you are in any doubt about your dog(s) temperament with strangers please discuss this with us BEFORE booking.

Thank you for your co-operation.
